

MOTION BY SUPERVISOR DON KNABE

April 5, 2016

Amendment to Item 15

I, THEREFORE, MOVE that the Board of Supervisors:

Direct the Chief Executive Officer to convene a working group of representatives from the Department of Regional Planning, the Department of Public Works, the Chief Executive Office, County Counsel, Internal Services Department, Department of Beaches and Harbors, and any other relevant departments, to have the working group report back to the Board in 90 days, after outreach to stakeholders such as BizFed, the building industry, non-profit affordable housing developers, Marina del Rey Lessees, and others, with a written report defining the parameters of the water supply problem to be addressed by the potential ordinance, exploring options for addressing the problem, with recommendations from the working group before initiation of an ordinance. ~~draft a net zero water ordinance for all new development and substantial renovations that applies to both public and private development.~~ The working group shall evaluate various existing net zero water policies, existing technologies, and the financial impact
